KUKUIPROJECT

KUKUI PROJECT IS SET IN A FUTURE WHERE THE KINGDOM OF HAWAII HAS ASSERTED ITS INDEPENDENCE AND ESTABLISHED A COMMERCIAL SPACE INDUSTRY FOCUSED ON TOURISM. THE MAJOR SUPERPOWERS IN THE WORLD HAVE SPONSORED RESEARCH FACILITIES IN SPACE AND THEN WEAPONIZED THEM TO PROTECT THEIR SECRETS. EVENTUALLY AN ARMISTICE WAS REACHED, LEAVING ORDNANCES TO DRIFT WITH THE DANGER OF THEM FALLING TO EARTH. WITH THE NEED TO DISARM THESE WEAPONS, THE KINGDOM OF HAWAII CREATED A NEW AGENCY, THE KUKUI PROJECT. THE STORY FOLLOWS MICHAEL MAHEHA, AN ASTRONAUT JUST NUTS ENOUGH TO BE ON THE FRONT LINE IN A TALE OF POLITICAL INTRIGUE AND PERSONAL STRUGGLE.
